†SRI D. DEVARAJ URS.—I thought the hon. member knew all these things. There is the Act governing the expenditure. There is no restriction for the ministers whenever they go on tour. The ministers are given mileage and D.A. when they go on tour. So far as movement within the limits of the city is concerned, Rs 500 is given for meeting the charges of petrol and other charges. Within that amount they can spend as much as they want. If they spend beyond Rs 500, it is their look out and they have to meet such expenditure out of their pocket. A car is given by the Government and car repairs and other charges are met by the Government. That is the position.
